SCHEDULE "A"
STATEMENT OF POLICIES REGARDING SECURITIES
OF RELATED AND CONNECTED ISSUERS AND RELATED REGISTRANTS

National Instrument 31-103 *Registration Requirements and Exemptions* ("NI 31-103") requires registered firms to identify and respond to existing material conflicts of interest and material conflicts of interest that can reasonably be expected to arise between the registered firm and its client. Potentially, a conflict of interest arises under either of the following situations: (i) a registered firm trades in or advises with respect to its own securities or securities in certain other issuers to which it, or certain other parties related to it, are related or connected; and (ii) a registered firm has a director, officer or principal shareholder that is a director, officer or principal shareholder of another registrant.

Statement of Policies Concerning Related and Connected Issuers

Spartan Fund Management Inc. ("**Spartan**") is registered under the *Securities Act* (Ontario) in the categories of portfolio manager, investment fund manager, exempt market dealer and commodity trading manager.

In performing its services, Spartan may from time to time advise on or trade in securities of one of its related, connected or associated issuers. The investment funds managed by Spartan may invest in entities related to Spartan or purchase a security of an issuer in which a responsible person or an associate of a responsible person is a partner, officer or director.

"**connected issuer**" means, in respect of Spartan, an issuer that has, or any related issuer of which has, any indebtedness to, or other relationship with, (i) Spartan, (ii) related issuer of Spartan, (iii) director, officer or partner of Spartan or (iv) director, officer or partner of a related issuer of Spartan, that, in connection with a distribution of securities of the issuer, is material to a prospective purchaser of the securities. Accordingly, an issuer is "connected" to Spartan if, due to indebtedness or other relationships, a prospective purchaser of securities of the connected issuer might question Spartan independence from the issuer.

"**related issuer**" means, in respect of Spartan, an issuer of securities over which Spartan exercises a controlling influence (for example, through the ownership of, or direction or control over voting securities) or an issuer of securities that exercises a controlling influence over Spartan. In this context, the term "influence" means having the power, directly or indirectly, to exercise a controlling influence over the management and policies of the company, whether alone or in combination with one or more other persons or companies.
